

SAFETY

Protect your family and possessions with any Maxidor product and get 22.5% off.

At a glance

We understand that protection for yourself, those you love and the things you work hard for is top of mind for you. Feeling uneasy or vulnerable does not contribute to anyone's peace of mind. It's for this reason we've negotiated a special discount just for you, with one of the leading names in security gates. Now you can rest assured that the strength and quality of a Maxidor gate stands between you, your family and the world outside.

Why should you choose a Maxidor product?

- Maxidor is the original Slamlock gate manufacturer
- All Maxidor products offer a 10-year BuyBack guarantee. This guarantee is now transferable too, so the new owner will have the remainder of the BuyBack guarantee should you decide to sell your property.
- Maxidor is proudly South African. All Maxidor products are manufactured locally.
- Maxidor has branches nationwide.
- Maxidor's superior products are custom built to suit your exact size and colour specifications.
- Maxidor understand that time is of the essence when it comes to security matters and have equipped their professional consultants with the unique Maxidor App.
- The Maxidor Sales App presents quotations in a fast and efficient fashion, reduces administrative process time and ensures that we can deliver your product in the shortest possible period.
