How to get it

Login to the Multiply online shop at www.multiplyonlineshop.co.za and start shopping.

Using the benefit

Purchases will be delivered to your specified address within 7 working days. Please note that a business address is preferable.

A delivery fee of R50 (including VAT) will be charged.

You must pay with a valid MasterCard or Visa cheque or credit card.

All quoted prices include VAT.

If you are a Multiply Premier member your discount available in any calendar year from January to December will always depend on your Multiply status. Your purchases are subject to a R25 000 annual spend limit per family. Once you have reached this limit, the discounts received will be the same as Bronze status. Just remember that it is the retail price and not the discounted price of your purchase that counts toward the spend limit.

Separate spend limits apply to The Pro Shop, Cycle Lab and Edcon partners.

No spending limit applies to members on Multiply Starter and Multiply Provider.
