The rules

- Please note that if you choose to use this service, a booking fee will apply. Bookings need to be made three days before you collect the car.
- You must pay for your booking with a valid credit card. Avis accepts MasterCard, Visa, American Express or Diners Club.
- All bookings are non-refundable and no changes will be accepted.
- This discount may be used only when renting cars for leisure purposes.
- The discount applies to the best rate available at the time of booking.
- Bookings must be for a minimum of three consecutive weekdays, or two consecutive weekend days. In this case, Avis' weekend rules will apply.
- You may book 40 days of car rental per family member during a calendar year (January to December). You can, however, book additional car rental once this limit has been exceeded, although your discount will be limited to 7.5%, regardless of your Multiply status level. In this case, there is no limit to your rental period.
- Any Avis Chauffeur Drive or Avis Point 2 Point booking will be taken off your 40-day limit. One booking of each of these services is equivalent to one day's car rental.
- A single booking is for a maximum of 23 consecutive days, at your Multiply status. A booking longer than this time will be considered a monthly booking, and will be charged at the Avis retail rate.
- Members must be over the age of 18 to rent a vehicle, and must have a valid credit card and an unendorsed driver's license that is valid for at least one year.
- The quoted rates exclude any additional rates.
- Your daily rental rate includes a certain amount of free kilometres per day, standard or super collision damage insurance, standard theft loss insurance, airport surcharge (if applicable) and tourism levy and VAT (if applicable). It does not include the contract fee, fuel, excess in the event of damage or theft, additional driver fee, delivery and collection, windscreen and tyre damage insurance, excess kilometre charges or any other additional service charges applicable. Please note that inclusions and exclusions can change without prior notice.
- You must pay an authorisation deposit, which is an amount that Avis 'holds' on your credit card. If your car rental takes place over the weekend, your authorisation deposit will include an additional weekend charge. This is R5 000 for cars hired at inland locations, and R2 000 for cars hired at coastal locations. This additional authorisation will be waived if you are able to present a valid airline boarding pass (please note that this does not apply to passengers at Kaizer Mtanzima Airport in Mthatha).
- This benefit is only available in the Republic of South Africa.
