

MOMENTUMNET

Enjoy great discounts on ADSL broadband and data packages!

Why you'll love this benefit

Momentumnet puts the Internet in your hands. Whether you need to download a webpage or a work file, want access to online photos or liven up your DVD and music collection, this is the Internet as it should be – fast, convenient and reliable.

How this benefit works for you

The same discount is offered to all Multiply members, regardless of their Multiply status. However, discounts vary according to the data package you choose.

What you need to know

- To set up your account, you can either visit www.momentum.co.za/multiply or phone 0861 66 66 38.
- You can set up your ADSL directly through Telkom, in which case your charges for your line will be payable to Telkom while Internet access costs will be payable to Momentum. Alternatively, you can choose to set up both your ADSL and your ADSL account through momentumnet. In this case, you will be charged R349 to cover set up an Internet access costs. You'll also receive a free ADSL Ethernet router.
- Please note that although Telkom is your ADSL provider, you can contact us for queries about your line and progress made in setting it up.

The rules

- You will be billed each month in advance. You must pay via debit order.
- You cannot carry over unused ADSL data to the next month.
- You can choose to purchase a top-up package either when your existing data has been used up, or when your 12-month contract has expired.
- Payments made in advance will not be refunded.

Enjoy your connectivity!
