### Why you'll love this benefit

Getting lost can be terribly stressful – not to mention a complete waste of time. TomTom is dedicated to eradicating the pressure of such situations by providing products that empower you, ensuring you have complete confidence every time you visit a new destination.

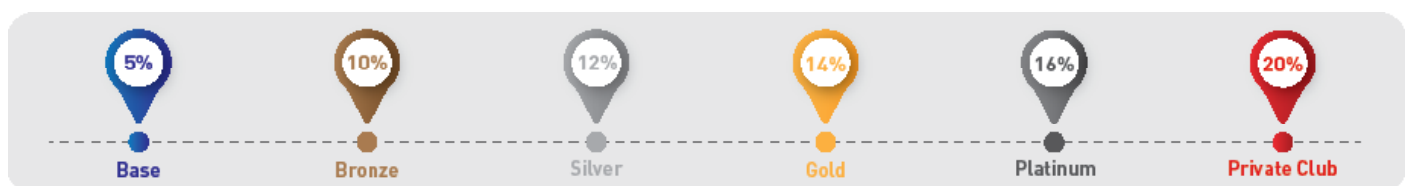

As a Multiply member, your safety is important to us – after all, our goal is to journey with you to help you achieve ultimate wellbeing. Peace of mind is, of course, central to your wellness, which is why we have partnered with this world-class brand. We have a further 40 partners, all related to physical and financial wellness, and we'll reward you with points every time you interact with them.

Another of our goals is, of course, helping you achieve ultimate wellness – and fitness is a large part of that. This is where another of TomTom's innovations proves useful : state-of-the-art fitness watches help you keep track of your heart rate and calories burned, so that you can get the most out of your workout.

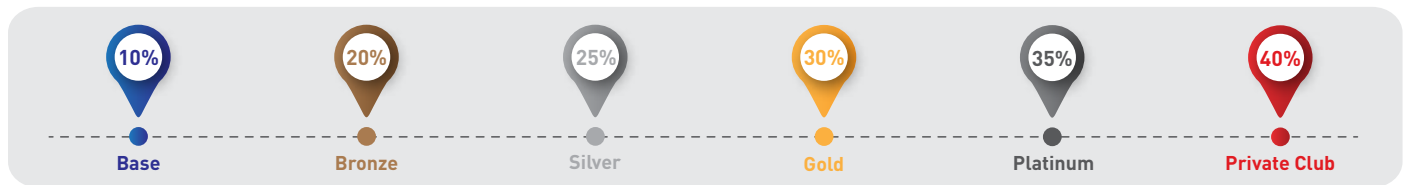

### How this benefit works for you

## What you need to know

- Base Multiply members may spend as much as they wish on TomTom products, there is no spend limit.
- For Multiply members, the discount is capped on a spend limit of R25 000 during a calendar year (January to December) for each family (excluding the Pro Shop and Cycle Lab). This spend limit applies to the retail value of goods. This means that for all purchases up to the value of R25 000, you will receive a discount in the line with your Multiply status. Purchases over this amount will still be discounted, at the percentage offered to Bronze members.

## The rules
