

HEWLETT PACKARD

Enjoy discounts of up to 15% on selected Hewlett Packard products at Multiply's online shop! Plus, you can save up to 20% on selected Hewlett Packard accessories.

Why you'll love this benefit

Best known for their printers and computers, Hewlett Packard offers a range of scanners, digital cameras, calculators, PDAs, servers, workstation computers, and computers for home and small business use.

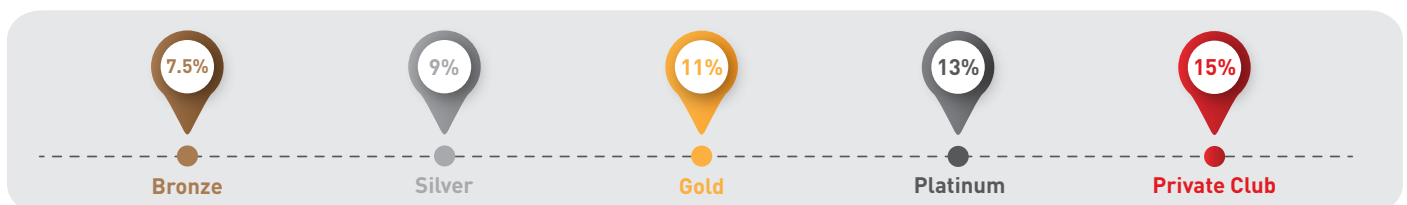

Look out for Hewlett Packard's innovative all-in-one products, which remove all the hassle from copying, printing, scanning and faxing.

What's more, when you buy a product from Hewlett Packard, you're doing your bit for the environment, as the company recovers and recycles millions of kilograms of electronics each year.

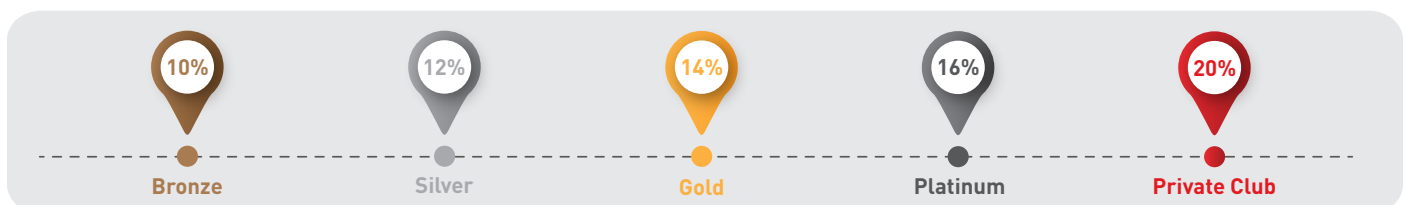

How this reward works for you

Your discount depends on your Multiply status level.

What you need to know

- Your discount is capped on a spend of R25 000 during a calendar year (January to December). Thus, for your all purchases to the value of R25 000, you will get a discount in line with your Multiply status. Purchases over this amount will still be discounted, but at the rate offered to Bronze members.

The rules

- Place your order at Multiply's online store (www.momentum.co.za/multiply).
- You will pay a delivery fee of R100 (excluding VAT) on all orders.
- You must pay with a valid MasterCard or Visa credit card.
- Products come with a standard 12-month product warranty from date of purchase.

Enjoy your shopping!
